

2-Day Product Design Workshop: Supplies List

Remember: tax free, keep the receipts, budget \$100!

Prototyping Kit:

- 1 Olfa Knife
- 1 Ruler (I prefer the AlumiCutter Brand, 12")
- 1 Hot Glue Gun
- 2 Packs of small hot glue sticks
- 2 Cardboard Sheets (20" x 30") or a similar amount
- 2 Foamcore Sheet (20" x 30") or a similar amount
- 1 Styrofoam Block (Artist and Craftsman only!) or a few small pieces
- 1 Self-healing Cutting Mat
- 1 Small Can of Paper/Rubber Cement

Sketching Kit:

- Paper (Printer/Copy Paper will work)
- 1 Pilot Fineliner (or Sharpie Ultra Fine tip)
- 1 Pilot Sign Pen

Art Store Locations (both stores open Mon-Sat 9am-8pm, Sun 11am-6pm):

Artist and Craftsman

580 Massachusetts Ave.
Cambridge, MA 02139

Artist and Craftsman has many of the same supplies but has more crafts items as well. The prices are usually slightly lower than Blick. Artist and Craftsman is a smaller chain and the store feels that way. With that said, if they are out of stock of anything you can always go across the street to Blick. Artist and Craftsman does have Styrofoam blocks, which will be useful for practicing working with foam.

Blick Art Materials
619 Massachusetts Ave,
Cambridge, MA 02139

Blick is a larger chain that recently merged with Utrecht Art Supplies. Blick has a large selection of art supplies but less crafts items. You can get all of the items on this list at Blick except for the Styrofoam items.
