Standard Suitcase
Checked Luggage = Time + $$

- $3.4 billion in baggage fees
- $20-40 per bag on most airlines
- 561 million plane passengers
- 2.2 million "lost" bags
Vacuum Bag = Reduced Volume
More Holes = More Compact
Hand Pump = Reliable?
Future Challenges

- Refine pump/pull-handle integration
- Sleek suitcase cover design
- Explore additional features (compartments, handles, etc.)
