

# Gathering Greens

Customer Need	Attributes	Specs
Fast harvesting rate	Harvesting rate	> 35 sqft/min
Rocky terrain compensation mechanisms	Blade height variance	< 1 in
Cutter bed-width clearance	Blade length	46"
Multi-density harvesting capability	Cut dense/sparse	Y / Y
High quality harvesting capability	Intact leaves	> 95%
Food-safe certification readiness	Food-safe lubrication	100%
Affordability	Maintenance cost per year	< \$1000
Safety features	Exposed hazards	0
Ease-of-repair	Disassembly/reassembly time	< 30 min
Low downtime	Frequency of repairs	< 2/mo
Shielded cutting mechanism	Debris buildup	< 1 kg/wk
One-person operation	Friction_w be small	< 12 lb
Easy bin replacement	# of operations for bin replacement	1
