

# The Problem

Wrestlers are 16x as likely to contract skin infections as other athletes

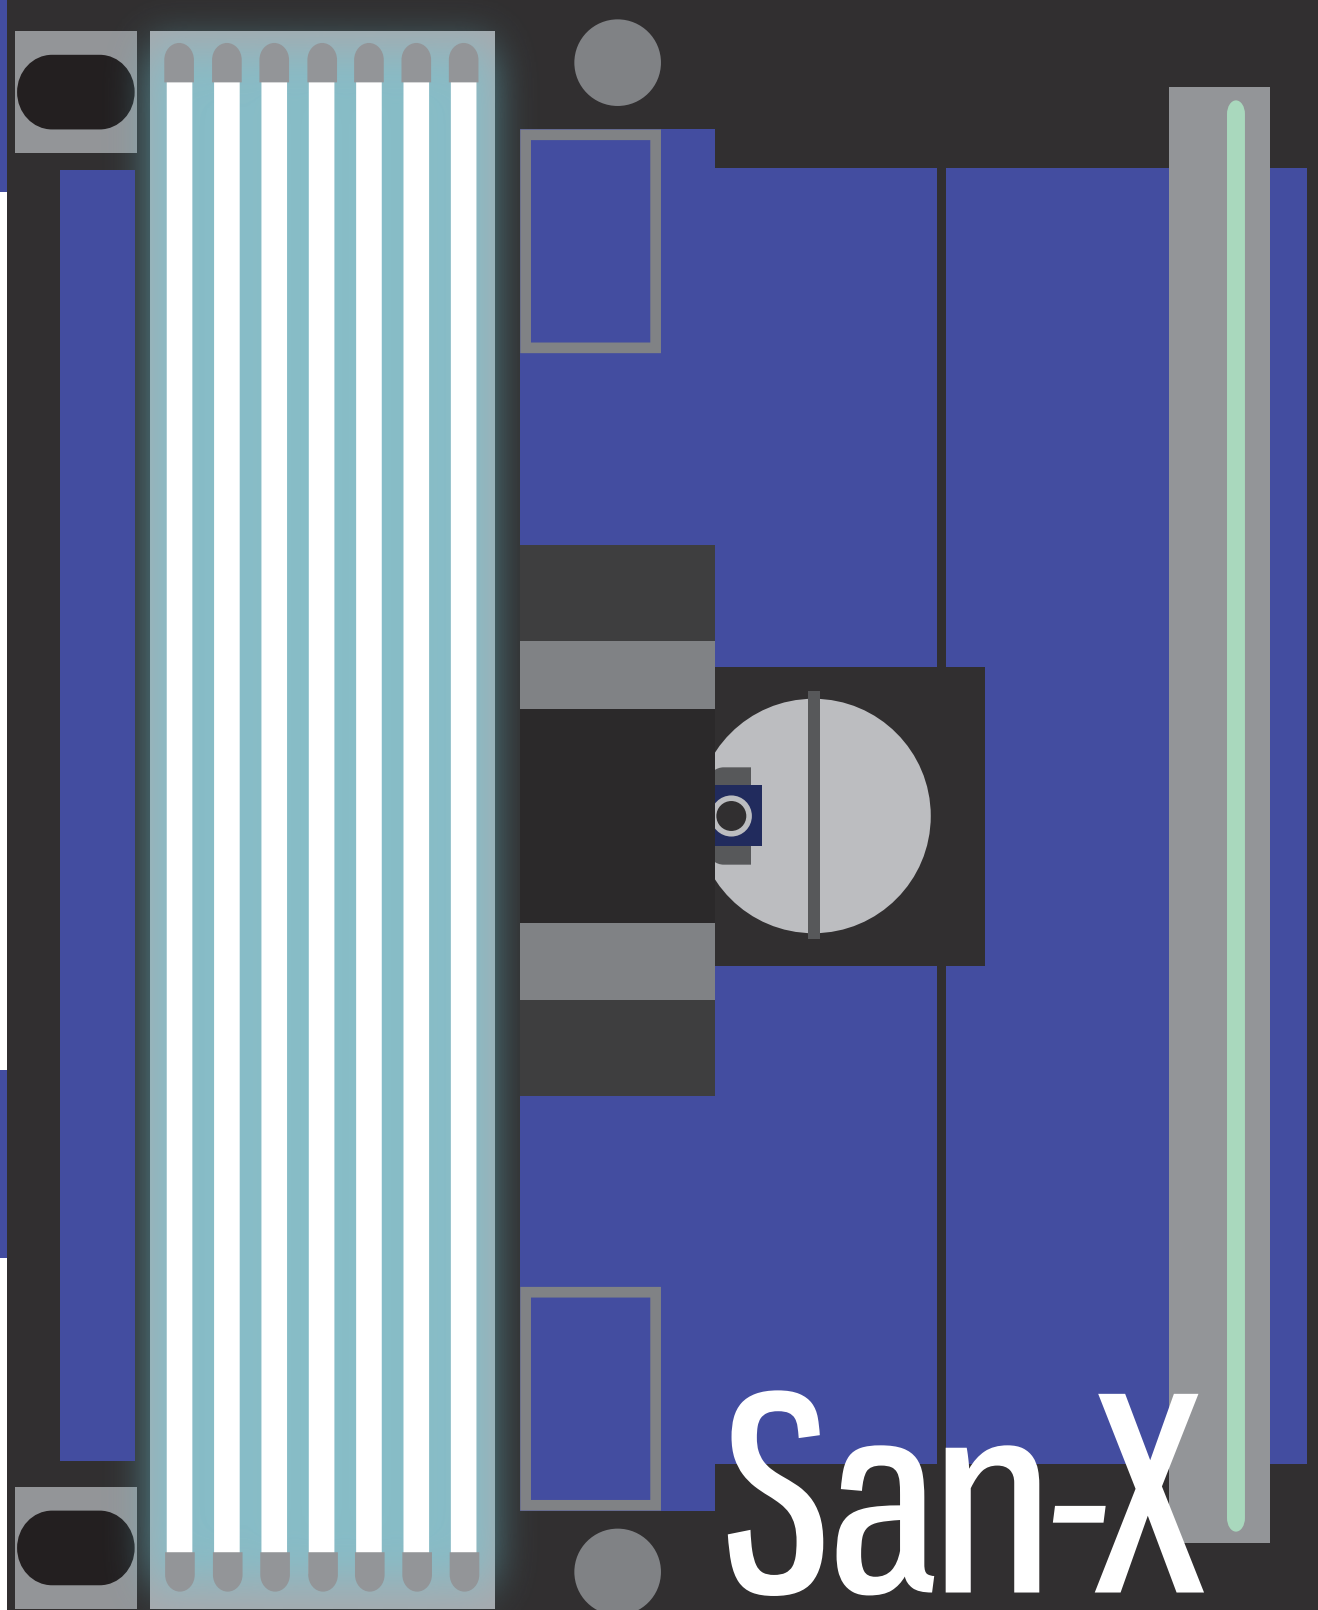

Cleaning with a mop and bucket fails to rid surfaces of pathogens

# Our Solution

San-X is the first cleaning and sanitizing athletic mat cleaner

# San-X

# Features

## Take a Peek!

See what innovative solutions San-X offers

### Ergonomic Handle

Rotates to vertical position for easy transport and storage

### Removable Reservoir

3L reservoir feeds into the steam mop and fits easily in a standard sink for refilling

### Indicator Lights

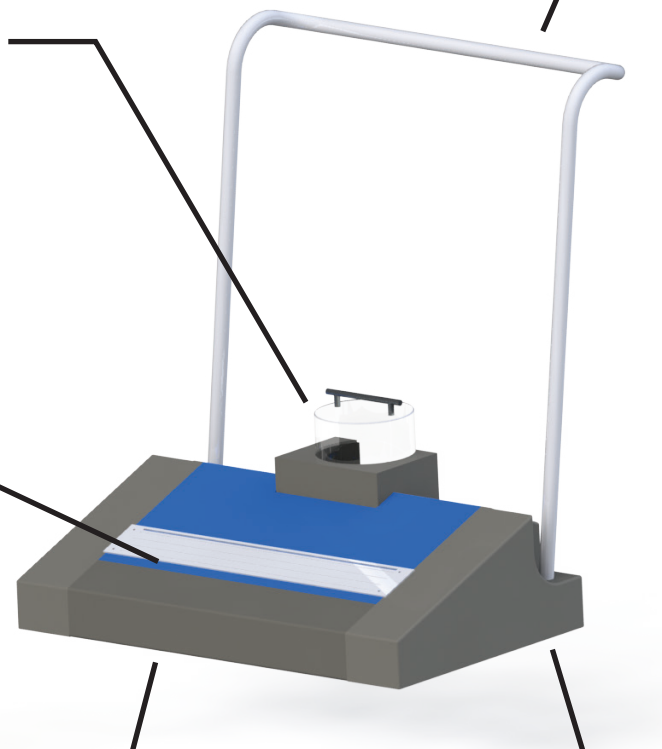

Ensures that user moves at the correct pace for effective sanitizing

### UVC Germicidal Bulbs

Exposure from seven UVC bulbs kills 99.9% of pathogens

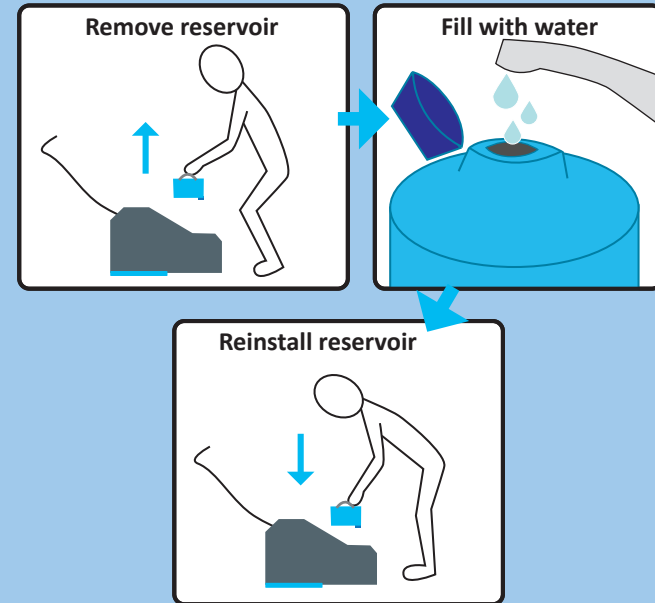

### Steam Mop

Cleans debris and sweat using a machine washable microfiber pad

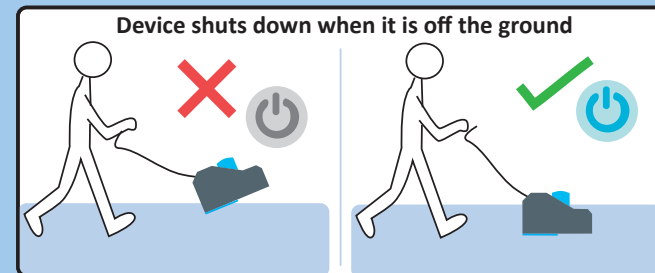

# Operation

## Easy Preparation

## Safety During Use
